Nov 5, 2019 Darkest Dungeon Speed Mod is a very old mod. Its speed is pretty good, and it doesn't alter the game in any way. Also, You can install it on . A: As of 5.0.0, most speed-ups including their improved and efficiency are now a class feature. This invention relates to a tire for an electric vehicle having a plurality of running members forming a tread portion, wherein each of the running members is provided with a front protrusion and a tread-breaking member for forming a groove-breaking portion, the groove-breaking portion is substantially U-shaped in profile and its width is progressively reduced from the outer peripheral edge to the inner peripheral edge, and the groove-breaking portion is provided on the front side of a running member, with the protrusion projecting inward in the direction of the width of the groove-breaking portion. Tires for electric vehicles have been proposed wherein groove-breaking portions are formed in the outer peripheral portion of each of a plurality of running members forming a tread portion to improve the grip of the tire by a shoulder portion of the tire and to break the descending groove formed by the wheel in the shoulder portion as disclosed in Japanese Utility Model Application Kokai No. 52-1,904. As shown in FIG. 1A, this tire for an electric vehicle is provided with a plurality of running members (ribs) b which form a tread portion, and groove-breaking portions c which are formed on the outer peripheral portions of the running members so as to prevent the tread portion b from being undesirably cut at the radially outer edge of the tread portion. As shown in FIG. 1B, the groove-breaking portion c is adapted to form a groove d in the tread portion b, and a protrusion e projects inwardly from the groove-breaking portion
