I like to draw and craft. That is, while sitting home alone after the work or while I'm having my afternoon coffee in the park. In this, you'll see some of my art and maybe also my life as a freelancer artist. But that's only a part of it. Tuesday, September 25, 2010 Cartoon: A Hard-Tack and Dry Cake "Cartoon: A Hard-Tack and Dry Cake" is an illustrated book about baking hard-tack (a military ration of compressed biscuit). I'm very proud of the printed version, which I illustrated by putting a lot of time and energy into it. In contrast to other books, where the author usually just puts a bunch of different illustrations on the same page, the pictures of this book are divided into different sections, each of which narrates its own story in a way that feels natural to the target group, the troops, which the hard-tack is made for. I learned a lot during the illustrations and printing process, which actually filled my head with new ideas and perspectives on the topic. That helped me a lot in my freelance job, where I'm often asked to come up with something visual and simple to create an image for a project. Every time I work on a subject, I like to get into touch with professionals, who either share my interests or have complementary knowledge, in order to learn from them. Especially as a computer artist, the transition into something completely different is very helpful for me as a freelancer, and that also happened in this book. In a way, I was sitting at the feet of
