Hi Sean! I'm looking for code a european 2014 F20 125i, can you help me find the correct version of e sys, Psdz and patch if needed? Thank you in advance. -6796393 Steering (front and trailing axle steering) to resolve ICM DTC. I have this problem on my 2014 F20 125i. I can drive 10 miles without this problem. I just bought it after the two previous owners couldn't fix the problem. I have a fault code "ICM: Steering Angle Sensor Fault" so I tried to replace the steering angle sensor using this link because I thought the problem was with the sensor. After replacing the sensor, nothing has changed.
