Fundamentos de administraci3n RESUMEN Todo ser humano tiene la capacidad de construir y renovar. is la unidad econ3mica-social en la que el capital, el trabajo y la direcci3n se . Chief Washington Correspondent Megyn Kelly Uncovering Possible Double Life Of Gen. 'Mad Dog' Mattis The heads of the CIA, FBI and NSA have all told Congress they don't know what to make of President Donald Trump's pick for Secretary of Defense. "Mattis has come under fire from his own party for what critics say is a lack of experience on national security and defense. He has twice resigned from the Senate — once over his criticism of the Vietnam War in the early 1970s and again to protest the invasion of Iraq in 2003," AP reports. Many conservatives have questioned why a retired four-star Marine Corps general would be good for national security in a dangerous time. FOX News chief Washington correspondent Megyn Kelly has been looking into General Mattis' life for months, digging through his military records, reading books written about him, listening to interviews he's done for the Pentagon, and even watching a few episodes of the hit TV series "24" in order to see how the general might be perceived on the big screen. So far, it's not clear what Kelly will report. She told viewers of her program, "The Kelly File," that she could not yet make a conclusion about Mattis and the future of the U.S. "I am not ready to jump to a conclusion yet," Kelly said. "But I will say this — I will say what I know for a fact." Kelly recently sat down with General Mattis to ask his opinions about the U.S. military and the challenges posed by terrorism. NBC News reported last month that sources said Mattis won't be a yes man, but more of a "wildcard" in the Trump administration. Mattis reportedly hopes to play a role in helping Trump "work out" his ideas. Ironically, that "
