## What's New In Free Gold Button Icons?

Gold Button Icons provides you with a variate collection of icons of all types that you can use to give

a whole new look to your files, folders and applications. The icon set consists of 221 icons of all types, in ICO and PNG format and different dimensions. This variate collection is designed to cover all your needs, since it includes icons for disk browsing, document editing, email, printing, clocks and time management, multimedia files, graphs, hardware, programming and much more. Features: Icons are provided in 1 and 2 sizes: 32x32 and 48x48. Also available in 8 different skins: "Simplified" and "Human". Advantages: Use all icons in your applications without modifying it, since they are grouped with other icons. Use icons in your applications, since they can be used at the same time with your "normal" icons. LoanBirds - LBNB is a commercial loan for all of you! Try your luck with this collection of 658 loan icons. Birds are sent to help you to earn money! I created this loan collection after I met many birds who would help me to collect my own money, and I thought that this "advice" from birds was fun and cute. This collection consists of 658 bird icons, each one is different, so you can use all of them in your applications and projects. Just click on the download button and enjoy! Features: Each icon is different from the other ones, that's the spirit of this collection. The icons are provided in 4 sizes: 32x32, 48x48, 64x64 and 128x128. The collection also includes transparent versions, which are provided in ICO format. Advantages: Use the birds icons in your applications, games and personal stuff. Enjoy the different birds that are sent to help you to earn money. You can use all icons as usual, since all of them are grouped with the other icons. Psychedelic Icons is a variate set of icons for your desktop and files, which includes a collection of 126 icons in PNG format. These icons are used to create a psychedelic theme in all your files and applications. Advantages: Try to use all the different colors, designs and styles of this collection. Use it in your project and in your desktop to give a psychedelic look to your files, folders, and applications. Features: The collection includes 126 icons in PNG format with transparent background. Use all of them in your files and applications, and create a psychedelic theme in them. They are provided in 2 sizes: 32x32 and 48x48. Advantages: Use the psychedelic icons in your files, folders and applications to give a new look to your desktop and your files. The Icon Icons pack is a collection of over 2
